Understanding AnyDesk's Price Changes: Commitment to Quality and Flexibility for Users

We understand that price changes can be a concern for our valued users. At AnyDesk, we continuously assess and adjust our pricing structure to provide the best possible service, while we innovate and enhance our features.

We would like to address the concerns expressed in the forum regarding the price increase. We recognize that many users, when faced with a change in rates, may consider alternatives. We want to assure you that our goal is to deliver remote access software that is not only affordable but also of high quality and reliability.

Moreover, we are committed to making our plans flexible. If there are add-ons on your account, such as concurrent connections, that you no longer require, our support teams are available to help you adjust your subscription. Ensuring that the use of AnyDesk remains easy and efficient for our users is one of our top priorities.

We greatly value the feedback from our community—it is a key driver that guides our decisions. Thank you for sharing your thoughts; this helps us improve and adapt to your needs. If you're still weighing your options, we invite you to reach out to our support team. We are here to assist you every step of the way and ensure that you continue to enjoy the benefits of AnyDesk.
