Some Help With

Invite users to a team

TABLE OF CONTENT

Inviting users

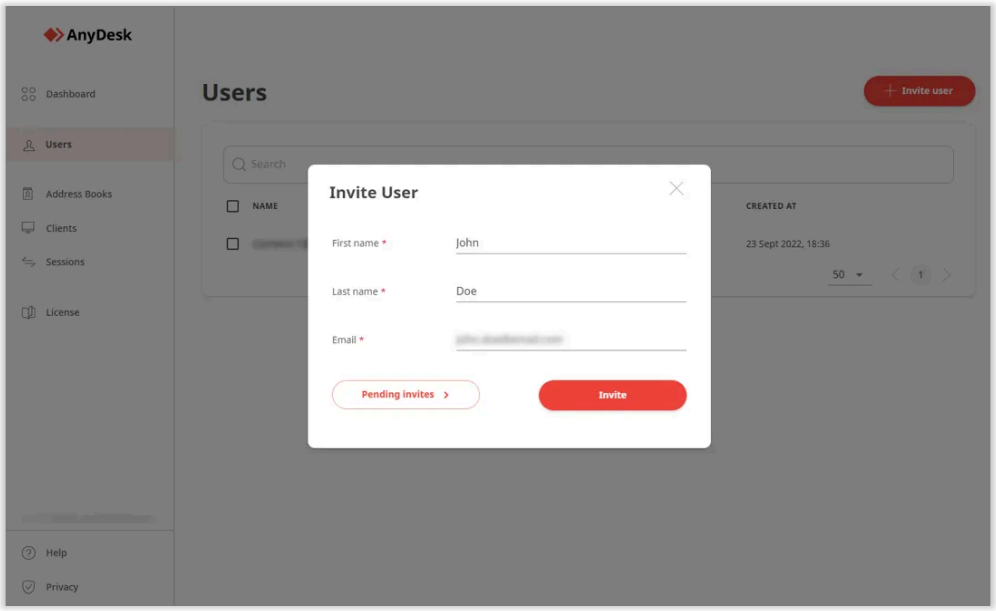

> **License:** Standard or Advanced
>
> **Relevant for:** License or team owner

In my.anydesk II, license and team owners can add or invite users to their team. Learn how to set up a Team, see **this article**.

Inviting users

To invite users to your team:

1. Go to my.anydesk II and open the **Users** tab.
2. Click **Invite user**.
3. In the pop-up window, provide the following information:
    - **First name** - enter the user's first name.
    - **Last name** - enter the user's last name.
    - **Email** - enter the user's email address.

invite a user

4. Click **Invite**.

The invited user will receive an email with a request to join your team in AnyDesk.
