Error

Address book limit reached

Cause

This error occurs when the number of address books or address book entries exceeds the limit allowed by your current license. Below are the standard limits for each tier:

- **Solo:** Up to 100 entries in the personal address book. No company address books.
- **Standard:** Unlimited personal entries. Up to 5 company address books.
- **Advanced:** Unlimited personal entries. Up to 15 company address books.

Solution

To resolve this issue and expand your Address Book capacity, please **contact our Sales team or your authorized partner**. Our experts will assist you in upgrading your license or adding extra company address books to your account to ensure your team can continue managing contacts without limits.
