How to Delete Your AnyDesk Account and Data

If you want to completely remove your account and associated data from AnyDesk on your device, you can do so by emailing privacy@anydesk.com.

To expedite the process, follow these tips:

1. Send the email using the address linked to your AnyDesk account.
2. Address the email to privacy@anydesk.com.
3. Clearly state your intention in the subject line, such as “Request for Account Deletion and Data Removal.”

After sending the email, our Legal team will assist you in the account deletion process and confirm the removal of your data.

Before initiating the account deletion process, ensure that you have backed up any important data, as this action cannot be undone once completed.
